

## Customer Testimonials

Our partnership with Amtelco spans 40 years. Every move we have made with Amtelco's products have been *positive* as they have helped us grow our business. Amtelco's product offerings are great and they are always *responsive* to our clients' requests. We can always count on Amtelco being a phone call away.

Sharon Campbell, President  
Answer Direct

What really sets Amtelco apart from its competitors is the *after-sales support*. They understand 24/7/365 support and it shows every day."

Kevin Ryan, President  
TAS United LLC

My favorite part of being an Amtelco customer is the *peace of mind* that their 24-hour support gives me.

Deborah Anders, Manager  
The Legacy Connection

Having an Amtelco system for the last 30 years in our 3 call centers, we have developed a *partnership* with Amtelco. Our experience with field service when we've had to call them at 3:30 in the morning, returning our call immediately, and the longevity of our relationship were key factors in retaining our partnership.

## Customer Testimonials

Amtelco's service techs are not only *professional*, but *friendly* and willing to help solve problems as quickly as possible. Amtelco has been our only choice for equipment and services for over 40 years.

Teresa Kincaid, Manager  
West Virginia Message Center

I have been a happy customer since 1979. I've been very pleased with the *comforting support* maintained from Amtelco and their *long-serving staff*.

Anthony Greenfield, CEO  
AnserComm

Working with the Amtelco folks has always been a pleasure. I am always impressed at your success in creating a *strong culture*, *lasting relationships* and *people-first support*.

Matt Herron, President & CEO  
AnswerFirst

I would describe the *quality of service* we have received from Amtelco as phenomenal. We have not encountered any downtime since 2006. Their *response time* has been almost instant any time we have questions.

Paul Luttamus, President  
Luttamus Communications & Security, West Virginia
